

Hey Region Presidents! Congratulations on being selected to represent your Region! This year in Business Professionals of America the BPA State Officer team would like to raise money for Special Olympics again. So we are asking for your help by asking the chapters in your Regions to have a contest to see what chapter can raise the most money.

The chapter in each Region that does will receive a prize and recognition at the State Conference in March. We are also asking you, as Region Presidents, to perform a miracle minute at each of your Region Contest Days.

If you have any questions about this you can contact me or any of the other Officer Team members any time. You can find our email addresses at the Minnesota website which is [mnbpa.org](http://mnbpa.org). I look forward to hearing from you. Good luck this year!
